

## **Frequently Asked Questions**

1. **Who will be on my job site?** The best part of working with us is that we are a family owned and operated company. This means you are dealing with the owners from start to finish. Ashtyn will handle all your scheduling, orders and in office questions. Gene will be the person you meet at the site visit and will be the one on site for the duration of your project.
2. **How long will it take to get on the schedule?** Our calendar typically schedules 1-2 weeks out. Sometimes we can fit you in the week of depending on your project type and size.
3. **How long has your business been open?** Our business has been open since 2015. We have had over 15 years of experience working in this field.
4. **What types of jobs do you take on?** We accept residential and commercial projects of all sizes. You can find a list of services we provide on the services page of our website.
5. **Do you offer services that are not listed on your website?** We do take on other types of construction project not listed in our scope of work and enjoy switching it up here and there. If you would like to know if we can provide a service before scheduling a site visit you can call, text or email us to find out.
6. **Are you licensed and Insured?** Yes and yes
7. **Can you take care of our permitting (if required)?** Unfortunately, this is not a service we are providing at the time. If you would like to take on a project with us, we require you pull your own permits. However, we plan on expanding and changing this requirement in Late 2023 so you wont have to pull any permits and we can do all the heavy lifting from start to finish.
8. **Do you subcontract any work out?** We are equipped to do most of the work for any given project in house.
9. **What will my project cost me?** Every project price will vary. We offer FREE on-site consultations to discuss the scope of work and can go over different solutions based on your budget and wants. From there, we will email you an estimate for your specific project.
10. **How long will my project take?** Every project takes a different amount of time. We can provide this answer at your site visit or when we give you your estimate.
